

Citizens count on you to ensure fairness. Sinclair's use of their stations to air their political views without equal opposing views creates an arm of a political party. How can Americans have any respect or trust in the media which informs us without your regulation when they step so clearly outside the boundaries for which they are licensed? If they persist in airing "Stolen Honor" without equal opposing views, I ask that you suspend their licenses. We can't let corporate groups determine our elections. What a horror!
